## News From CPM in Georgia

2013 was an exciting and prosperous year for the ministry. We closed the year with ninety-six (96) officially released Godcasts covering all manner of topics. The subject of this year will be more fixed on the Gospel of Luke and at the time of this publication five segments have been preached and released to the public in both audio and video format to an overwhelmingly positive response (thus far).

We invite you to study along with us during this lengthy series or order the compact discs you may have missed to support this ministry and our mission to reach "the lost sheep of the race of Israel." Before they're removed from our current releases, we'd suggest listening to Hermas I (Visions) #3, Without Form and Void, Messengers and Dragons (Two Parts), Women Rule Over Them and Vessels of Honour.

Remember that ALL of our materials (including this newsletter) are freely distributable so feel free to share our publications and audio studies with your friends and foes alike. Our study into the Gospel of Luke promises to be our most lengthy series to date exceeding that of our series on John's Gospel or Mark's Gospel (both of which can be ordered in collector's edition compact disc keepsakes).

Thanks for your support last year and the year to come! Great studies, war for Christ!

Pastor Visser (January 2014)

## Newest CPM Compact Discs

### GOSPEL OF LUKE ( Disc #1 )

Features two 40 minute sermons with chapters every five minutes:

**Gospel of Luke (Part #01)** provides an outline for the entire narrative explaining exactly who Luke as an apostle (and human being) was. This opening sermon details Luke's intentions for writing this lengthy account and why he felt lead of Yahweh to stay true to the apostle Paul when worldly persecutions arose. Preached on New Year's Day this introductory segment outlines the entire CPM series on Luke's Gospel.

**Gospel of Luke (Part #02)** details the parents of John the Baptist proving that both Zechariah and Elizabeth were considered righteous before Yahweh for their strict obedience to God's Law and willingness to be used for His purposes. Also covered is Christ's attack against the Scribes and Pharisees in Matthew 23:35 and why our Messiah considered them ALL "guilty" of the blood of the Saints from Abel to Zechariah.

( COVERS LUKE 1:1-16 )

### GOSPEL OF LUKE ( Disc #2 )

Features two 40 minute sermons with chapters every five minutes:

**Gospel of Luke (Part #03)** covers the sign of dumbness to Zechariah, the conception of John the Baptist and finally the annunciation of Christ by the angel Gabriel to the virgin Mary. The reasons each of these men were used by Yahweh are described in addition to the exact actions which caused them to be called through docility. We also discuss the parallels and contrasts between Elizabeth and Mary's pregnancies.

**Gospel of Luke (Part #04)** explains the virgin Mary's visit to Elizabeth and why the unborn John leapt within her womb at the approach of the mother of God. Also detailed are sixteen Biblical examples of the humble contrasted with the proud and mighty (complete with scripture references) in order to shed more specifics on the Magnificat or "Song and Canticle of Mary" which proves Yahweh only loves Israel.

( COVERS LUKE 1:17-54 )

## **I AM THE WAY, THE TRUTH AND THE LIFE**

by Pastor Jeromy John Visser (2006)

Friends, the sermon this morning is based upon the testimony made by our Savior to “doubting” Thomas in John 14:6; “I am the way, the truth, and the life: no man cometh unto the Father, but by me.” This scripture not only says that Jesus Christ is the only true path because He’s the great I AM of the Old Testament but it also equates Him to three additional items -- the way, the truth and the life. In this study we’ll take a deeper look at each point and hopefully be able to see our Savior from a much different perspective. Let’s begin...

### ***Jesus The I AM***

If the concept of Christ being Yahweh is foreign to you it shouldn’t be so I suggest familiarizing yourself with both Jesus, God or Not? and Jesus, Yahweh or Not? available online at the Covenant People’s Ministry website if in doubt. Once Yahweh told Moses; “Thus shalt thou say unto the children of Israel, I AM hath sent me unto you (Exodus 3:14)” and Jesus continually used this terminology in statements such as “I am the God of Abraham (Matthew 22:32)” or “Many shall come in my name, saying, I am and shall deceive many (Mark 13:6).”

Many sincere Christians can think no farther than Jesus simply being the son of God. Adam was a son of God as was Satan -- in reality, all truth-loving Israelites are the sons of God (I John 3:1) and He is the Christ. If we cannot firmly establish the fact that Jesus is the great I AM before examining the Way, the Truth and the Life the

remainder of this sermon will make no sense. The Bible more than proves that Christ is God of both Testaments as there can be only one (Exodus 20:3) and Jesus says; “Before Abraham was, I am (John 8:58).”

Even more, the scripture also says that “God was manifest in the flesh (John 1:1 & 14, 1Ti 3:16)” and that the “Rock” of the Exodus was the Messiah (I Corinthians 10:1-4). He’s considered the Alpha and Omega and there’s absolutely no doubt that Jesus is the Creator of Genesis 1:1 (Colossians 1:16). That groundwork being laid, I only use the name Yahweh to differentiate the Old Covenant Savior from the New because it’s still God who was crucified (Acts 20:28) and He’ the only way to paradise. Now, let’s continue our study...

### ***Jesus The Way***

Knowing that Christ is the only way should lead genuine Christians to question where that ‘way’ is located so like usual Jesus tells us exactly where to go; “Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it (Matthew 7:13-14).” Few find the proper path because even less know that Jesus Christ is Yahweh and are looking for a ‘god’ beyond Him.

Of course our subtle enemy has a substitute for everything so they even follow after their own ‘way’ as Jude describes; “Woe unto them! for they have gone in the way of Cain (Jude 1:1).” As if the murderous ways of Cain aren’t bad enough, Peter explains that such false prophets; “have forsaken the right way, and are gone astray, following the way of Balaam the son of Bosor, who loved the wages of unrighteousness (II Peter 2:15).” Again we see there’s no “grey area” with the Almighty God -- it’s either the right or wrong way.

To simplify this entire study -- Jesus is and should be our everything. As we examine each specific piece of John 14:6 you’ll also notice that many of these portions somewhat “interlock” proving that all things mirror the reflection of their inventor. This is why only a fool requires a sign from YHVH when there’s evidence of Him no matter where we look (Romans 1:20) -- one can often see an early-morning sunrise high in the mountains and notice the “brushstrokes” of the Creator who made it. The proper way leads to both truth and life.

### ***Jesus The Truth***

In John 17:17 Jesus makes an awesome statement about Himself; “Thy word is truth.” I make this claim because the Bible also teaches that Christ is the living Word in several places. For example, the apostle John also said; “There are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one (I John 5:7).” He even begins his Gospel by saying; “In the beginning was the Word, and the Word was with God, and the Word was God. And the Word was made flesh, and dwelt among us (John 1:1 & 14).”

Even further and much deeper in the Bible we’re taught that during Judgment our LORD is; “clothed with a vesture dipped in blood: and his name is called The Word of God (Revelation 19:13).” Coming full circle, Jesus is all truth through His perfect Word and it’s through that flawless Word that we know God most of all. Beware of anyone who teaches doctrine not found in the Bible or those who claim to offer “the way” outside of Jesus Christ -- such cults exist amongst the movement today and their only goals are to mislead God’s own flock.

The opposite of fact is falsehood so as expected Satan and his soulless progeny are devoid of any truth. Jesus once asked the enemy; “Why do ye not understand my speech? even because ye cannot hear my word. Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in

the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it. And because I tell you the truth, ye believe me not (John 8:43-45).”

### *Jesus The Life*

Jesus is life because He gave his own as a ransom for many (Mat 20:28, Mark 10:45 & 1Ti 2:6). Through His sacrifice death is defeated and we're given power over our enemy. John explains; “That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, of the Word of life; For the life was manifested, and we have seen it, and bear witness, and show unto you that eternal life, which was with the Father, and was manifested unto us (I John 1:1-2).”

So many today walk in direct violation of Yahweh's eternal Law that they're already considered “spiritually dead” or practically worthless to the advancement of the Christian Kingdom. Because He is life Jesus teaches; “If any man come to me, and hate not his father, and mother, and wife, and children, and brethren, and sisters, yea, and his own life also, he cannot be my disciple (Luke 14:26).” The lives we live should not be for our own self-gratification but for Christ alone because only in serving Him is true happiness and prosperity achieved.

There is no greater joy nor path to true happiness outside of Jesus Christ and to Christians this should be common sense yet that's oftentimes not the case as they've been ‘raptured up’ into some form of churchianity social club. Even in the face of persecution or extreme prejudice we should never neglect to share the Truth that Jesus is the way to eternal life and strive to awaken Yahweh's own bride from her slumber. It's God's Kingdom that matters so all who stand in opposition can only desire to play lower-case “gods” themselves.

## You: Before the World Was Framed

By Dr. Wesley A. Swift

I point out to you that the Book of Job is another one of these great mysteries. It is a mystery volume, and it is filled with a lot of very important material. All of these so-called friends of Job have been challenging Job; they have been saying he was self-righteous, that all these things which went wrong with him, were the result of things through which he had passed. The real fact was, the powers of darkness were challenging God. God knew exactly what He was going to do with Job. He knew all about Job's resistance and Job's capacities; and how He was going to pour glory on him, so that the end of his life span would be greater than its beginnings. But in this, He knew Job: Job was with Him before the foundation of the world. And so Yahweh answers Job and speaks to him out of the whirlwind, and He said, "Who are these people that darken counsel by their words without knowledge? Now gird up thy loins, Job; answer me like a man, and I will demand answer after answer

from thee. Where were you when I laid the foundations of the earth? Declare now; thou hast the understanding." It is not, "if thou," or "do you have it?" It is, "thou hast the understanding." In the earlier text, it is quite clear, and clarified, and you will notice this if you read the old text. "Who laid the foundations of the earth? who laid the measures thereof? who stretched the line upon it? where are the foundations fastened? who laid the corner stone thereof?"— speaking like an architect, talking about a building. But God is talking about the creation of the earth. "Where were you, Job? Well, I will tell you, Job: I will bring it to your remembrance. The morning stars, all the archangels, sang together, and all the sons of God shouted for joy ...." I don't think He is talking about angels. Turn over to the second chapter of the Book of Hebrews, and you will see, at no time, did He ever say to the angels, Thou art My son. But He said unto you, the Elohim, You are Elohim: "Ye are Elohim, and I am your Father." As we have pointed out before, it was God Who said, "I am a Father unto Israel, and Ephraim is My first-born." Thus your Nordic society was begotten of the Father; and He was proud of it, even before it blossomed into all the great nations, who were to build His Kingdom, the kingdom your enemies hate so much today, because out of it comes the law and the order of God.

Now, we turn back again to Job, with God telling him how these things transpired, and He said, "I want you to know that thou art old, and thou art filled, not with just the experience of many years in the earth, but thou hast the pattern of experience of agelessness, because you have been with Me." And therefore God brings out answer after answer, and identifies this with the knowledge that He has placed in Job, by experience. There is no doubt that there are a great number of things which Job describes. The spirit descends on Job, as he gives the answers to his friends. He tells about seeing, sweeping across the earth, the great tail of a comet, which drew its judgments and had upheavals in times past. He tells about experiences he saw, when whole areas of earth were rolled and turned over, and when great darkness descended upon the earth. In fact, he even identified himself with having witnessed a great number of these situations.

Again, we point out to you, another passage which is of great significance. Jeremiah is another one of the children of the Most High God. Jeremiah was with the Father before the world was framed. How do you know? Well, he not only watched all these things, but in the fourth chapter of the Book of Jeremiah, the spirit moves on Jeremiah, and this is what he said: "I beheld the earth, and, lo, it was without form and void; and the earth had no light. I beheld the mountains, they trembled, the hills moved. I saw that man was disappearing, and the birds of the heavens had fled. I saw the fruitful place was a wilderness, the cities were all being broken down, in this tremendous earthquake and upheaval, from the presence of Yahweh and His anger. Thus saith Yahweh, However, the

"Ye jews are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning" ( John 8:44 )

whole land shall not be desolate, and shall not be a full end. “And he describes how he saw the empty cities: the horsemen, and the bowmen, the warriors were gone; whole cities swallowed up by wilderness, growing up where great citadels once existed. I repeat, that what he was talking about at that time, related to Lucifer’s rebellion and to the catastrophes taking place in that day. Moreover, under that same situation, there are other things which he brings to light. Jeremiah, remember, was describing what, in the Scriptures, is referred to as the creations’ re-creation period. If you go into the Book of Genesis, it tells you in the beginning, “God created the heavens and the earth.” Then you come to the declaration that the earth was “without form, and void.” The word used for void, in the Hebrew, means “an aftermath of judgment by divine hand.” Thus we have it very clearly that Jeremiah is telling about what happened when the waters covered the deep, and he said, “I beheld the earth, and it was without form and void.”

God never made anything void, and He proves that the voiding was a catastrophe, because He tells you what happened to the cities, what happened to areas of the earth, and how great areas of the earth rolled over, and the tops rolled over the bottom, and the great land rolled over whole areas of it. You say, Can you prove this? Yes. Ask any geological engineer what coal beds are, and how they were formed. I have been down in deep mines in the East over a mile beneath the earth surface, and I have looked at ferns, petrified in the solid coal, forty feet long, and, my friends, over them are mountains of dirt and rock and stone and material, and they have been folded over, and the compression of the tremendous astronomical impact of the influence that came, by whole areas of the earth rolling and heaving, buried these ferns down, to make this coal and this coal era. So we again point out: the Scripture tells us of antiquity; it tells us of creative purposes, tells us what God hath done.

We urge you to recognize that all these things are bearing testimony. Jeremiah said, “I beheld it.” Isaiah said, “I beheld it.” Each and every time, it was God bringing back to their remembrance the things which they had beheld, when they were with Him before the world was framed. I am going to tell you, we also have testimony out of other records of Scripture which are preserved unto our time: the records of Enoch and of Job, the records also of contemporary patriarchal writers who wrote from the things they had learned, regarding the conditions of Job and of Enoch. Enoch and Job lived at the same time; they were builders of the city of On. Their wisdom and their mystery was applied to the building of that city; and later on to the pyramid. In all the instances of their experiences, they tell about things that God brought back to the attention of Enoch, when Enoch soared out into space and was the guest of God, to be shown these things, to have them brought back to his attention, so that he might return to earth and repeat unto the children of the Most High, so that they might carry out their destiny.

This was also the experience of the Apostle Paul, as well. And in this, again, God’s reiteration is, “these are My children, this is My household; I want them to keep this in mind; I don’t want them to forget: they are My household, transplanted from heaven to earth to build My Kingdom, a kingdom that shall never be destroyed, a kingdom that shall never be left to other peoples.” We can hardly understand completely what this was like, because our areas of remembrance have been obscured by the curtain, pulled down over this remembrance. The Scripture said this had to be done, because, if you could have remembered, as the Apostle Paul said, the country you came from, you would have gone right back there. If you could have remembered it, you would have remembered the secrets, the power, and the law, that belonged to the sons and daughters of God—for reentrance into spiritual planes at any time.

**Choose You This Day Whom You Will Serve**

by Pastor David Scoffins

Two thousand years ago Pilate said, “Who shall I release unto you, Jesus or Barabbas?” The name Barabbas means Bar—son, Rabbas—Rabbi. Barabbas was the son of a Jewish Rabbi. Barabbas was a murderer, robber and revolutionary.

Today the same choice faces our people. Few people know that today the system of government we live under is Jewish. While the leaders of Britain and America claim to be conservative, they are, in fact, socialist.

This is what the Jewish Encyclopedia, 1905 Edition says, “Two of the early Jewish converts, Karl Marx and Ferdinand Lassalle, were to become commanding figures in the history of Socialism. One was the father of scientific Socialism (Communism), the other, the founder of the German Socialist Party.” Marx, the son of a Jewish lawyer of Treves, numbered among, his ancestors many famous Rabbis. The chapter of the theory of value in his principle work Das Kapital suggests by its subtle analysis an inherited Talmudic bent.”

The system under which we live, called Democracy, is no better than Communism or Socialism. This is what the Jew Dr. Oscar Levy wrote in the book, The World Significance of the Russian Revolution: “The Jews are the spiritual fathers of Democracy and, therefore, Plutocracy .... Jewish elements provide the driving forces for both Communism and Capitalism.”

Today we need to return to the leadership principle. Let’s never forget that the Jews are right when they call our people sheep, because it’s true. You have only to look at how they are manipulated to all ways that the Satanic Jews plan. Not only do we need Christian Patriot leaders to follow men like Pastor Richard Butler, Pastor Dan Gayman, and Pastor Bob Miles, but we also need to be leaders. The Bible says, “Ye are the light of the world. A city set on a hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.” Matthew 5:14-16. Today the mass of people are looking for the leadership only you can provide.

Democracy leads to Socialism, and Socialism leads to Communism, just as sure as night follows day. Democracy is in fact mob rule. The people vote for whomever offers the most. But have you ever known any politician to keep his word?

How can we choose to follow Jesus under a system that is following the modern Barabbas? The answer: we cannot. The Bible clearly says, “Come out from among them and be separate.” Clearly the system of government under which we live is the system of anti-Christ. We need to build our own social order now, among our own people. We must build God’s Kingdom. We must trade only with White Christians. Never trade with Jews. We must build our own schools and colleges. We live in hostile lands—we must build our own safe communities. Whom will you choose to follow—the Lord Jesus Christ or Barabbas?

“I Yahweh will put enmity between you and the woman, and between your offspring and hers.” ( Genesis 3:15 )
